

ISD 2020 data launch

ISD data team 2020:
Sanchita Bakshi, Jimena Pacheco Miranda & Irene van Staveren

New website in 2021

- New features:
 - More accessible look & feel
 - Update of all relevant information
 - Data download tab: default is only the indices with standard errors and not the indicators
 - Data use: list with links to publications by third parties using ISD indices

- New hosting:

by ISS/EUR: <https://isd.iss.nl/>

2020 indices: more indicators & new sources

- Most indices have now more indicators than before
- Some data sources did not have data beyond 2015
- We included new sources with new variables to replace indicators for which data collection was discontinued
- On the whole, we have more indicators and more data -> more countries included in most indices

Erasmus

| Index | Number of indicators | Number of countries |
|------------------------------|----------------------|---------------------|
| Civic Activism | 14 | 104 |
| Clubs & Associations | 26 | 112 |
| Intergroup Cohesion | 9 | 161 |
| Interpersonal Safety & Trust | 22 | 160 |
